it's a bit!

Mike from PA is covering the Destiny nuke right now as lead-in

Ethan's "debate skills"

wow I haven't watched in forever and I tuned in here for like 3 minutes and he's misgendered someone like 100 times, yelled at Olivia, and then went on a crazy rant about how he and Hila know better than trans people

Edit: then he told Olivia he didn't yell at her, asked her to say her piece, immediately cut her off, then buttoned

shredder's shredded cheese 🧀

I love her. I'm tuning in to her stream right now.

Watch this be some stupid ass joke. Some stupid Rick roll shit like haha ok dude..
